1. GENERAL

- 1.1. These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of financial control, which facilitates the effective exercise of the council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption.
- 1.3. The council's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;

- 1.5. At least once a year, prior to approving the annual return, the council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly
- 1.9. The RFO;

- 1.11. The accounting records determined by the RFO shall in particular contain:
- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
 - a record of the assets and liabilities of the council; and
 - wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
