Supported by Tetsworth Trust

Issue 100 December 2011

Dear Editor,

I would like to thank the kind person who sent in the lovely letter about supporting the pub. It was a total surprise, and overwhelmed me. It sends great hope for the future of the pub and its support. Though I have had a direct response from a villager stating that they were disappointed with the letter published...

The wine and cheese evening was a relaxing, tasty event, and the new wines greatly received by our customers who came and who have visited since. So much so that we will be having a wine and cheese evening every two months. We also had a fantastic response to the children's Halloween fancy dress party, I was very over come, as the ladies know. Further to my letter sent to every house in the village, our Coffee morning will be held every Thursday at 11.30am, I hope I will have there support. In the new year I hope to start a book club, anyone interested please advise me.

I can only thank the villagers again, for there continued support. They have made me feel that the effort I am putting in to make the pub a local community meeting place is slowly taking place.

Kindest Regards

Jacqueline, Sheila & Team

## Tetsworth Primary School

Children in Need saw the children of Tetsworth Primary school coming together with some great fundraising ideas, which included a multicoloured muffin day, a movie session with popcorn, a Pudsey bear made of coins and a cake sale. They also held a competition open to parents and children to see which of our tortoises could move the furthest! All money raised will go directly to Children in Need.

Our tortoises have still yet to be named, but with the children brainstorming a variety of pairs of names, a shortlist has been drawn up, which the children are now voting on. We hope to reveal their new names in the next issue! Both tortoises have settled well and the children are really enjoying looking after them and learning about them.

The children are now busy practising for their upcoming Christmas performances, in particular the Thame Festival of Music in December, and their own school nativity. Class 2 are also very excited to be involved in the Young Voices concert that takes place at the O2 arena in March 2012. The children are amongst a number of schools taking part in this music concert and are thrilled at the prospect of performing live on stage!

## TPSA

The TPSA have booked in their annual

quiz night for the new year, which will be held on Friday 24<sup>th</sup> February 2012. Anyone interesting in a table should contact Petra on 01844 281446. We look forward to seeing you there.

## Saint Giles Church News

As I write Advent starts this Sunday 27<sup>th</sup> November

and we can all officially start getting excited or panicking about Christmas.

I love the season of advent, when we can reflect on all it means to the church and to individuals that God gave us the wonderful gift of His son Jesus.

We celebrate this in many ways at Saint Giles and would love to invite you to celebrate with us on any of the Sundays leading up to and including Christmas Day.

We have a Service of Lessons and Carols on Sunday 18<sup>th</sup> December at 6-30p.m. followed by mulled wine and mince pies.

Or come and join us in the Village Hall to sing carols around the Christmas tree on

What's your dream for Christmas? At the family service we heard about the dreams for survival of the people of East Africa and we are collecting for Tearfunds East Africa Appeal during Advent. We also collected shoe boxes for The Samaritans Purse and together with the John Watson Senior School 30

## South Oxfordshire Christmas parking days

People in South Oxfordshire will be able to take advantage of the traditional free parking days again this Christmas.

Drivers in South Oxfordshire will be able to park for free in district council car parks as follows:

Didcot – all day on Tuesdays 6, 13 and 20 December

Goring – from midday onwards on Saturdays 3, 10, 17 and 24 December

Henley - from midday onwards on Saturdays 3, 10, 17 and 24 December

Thame – from midday onwards on Saturdays 3, 10, 17 and 24 December

Wallingford – all day Thursdays 1, 8, 15 and 22 December.

The annual free parking tradition is provided by the district council in December to encourage people to shop locally for their Christmas presents.

The move also helps to boost the local town centre economy, with specific free parking days being agreed with the individual town councils depending on which day would best suit local traders.

### Preparations in place for extreme weather

Preparations are in place in South Oxfordshire to minimise potential disruption in the event of extreme weather this winter and the councils are urging residents to do the same.

The council has supplied their shared waste partner Biffa with 40 tonnes of salt, some of which has already been used to fill grit bins at council sites across the districts. This salt will be used to keep town centres, car parks, leisure centres, mobile home parks, council offices and parks clear of snow and ice by the council's street sweeping teams where possible.

Residents are being asked to make similar preparations of their own. Most good DIY stores now stock bags and sacks of salt and grit as well as snow and ice clearing equipment. A sturdy shovel and a bag of rock salt in the garage or shed would be invaluable if heavy snow were to fall again this winter.

The council is urging residents not to be put off from clearing any snow and ice from the pavements near their own home by scare stories in the national media suggesting they might face legal action should somebody slip on an area they have cleared.

The best way to minimise disruption is by working as a community to help each other, particularly those more vulnerable to cold weather and those who might have difficulty clearing their own property. Remember, snow is much easier to clear as soon as it has fallen.

Should the worst happen, it might be necessary for the council to cancel some bin collections. This decision is always taken with the safety of the general public and the waste crews in mind. If this happens, the councils will communicate alterations to the collection schedule directly to those affected through a variety of sources.

The best way of receiving comprehensive and up to date information is via this website which will be updated daily with up to date information regarding any disruption.

The council also operates a free waste text messaging service which notifies residents directly to their mobile phones if there are any changes to their service due to bank holidays and adverse weather. Residents in South Oxfordshire can register for this by texting waste then their usual collection day (for example waste Monday) to 07797 870370.

Residents can also find out about the status of the waste collection services by listening to local radio stations and keeping an eye on the local press. Biffa operate a waste hotline, which will run recorded messages detailing the effects of any disruption – the number for this is 03000 610610.

If bin collections are cancelled at any time, any available crews and resources will be diverted to help street sweeping teams to clear town centres, car parks and other key public sites.

In the next couple of weeks, Biffa will be distributing 'bin hanger' cards to everybody in South Oxfordshire. Residents should look out for these cards as they contain their Christmas collection schedules and information about waste recycling during the festive period.

#### **Consultation in to plans for Fire & Rescue Service**

Oxfordshire County Council's Fire and Rescue Service has opened a consultation in to the proposed projects for the financial year 2012-13.

The consultation invites members of the public to have their say on the Integrated Risk Management Plan (IRMP) which provides details of the strategic direction for future fire and rescue provision in the county.

that responds purely to emergencies. It possesses an array of skills and knowledge in a number of areas from community education right through to enforcing legislation to ensure people are safe from fire.

The action plan will enable the service to deliver more effective community safety advice at a local level and ensure that residents and businesses are safer, while at the same time, delivering an efficient and effective response when necessary.

The projects contained within this action plan will ensure that the service continues to be efficient, cost-effective and resilient.

The consultation ends on 5 February 2012

### Looking for ways to cut your energy bills

At the moment, half of the UK's carbon emissions come from the energy used to generate heat. As a result, a switch to low carbon heating is vital to meet the UK's carbon targets.

A new Government scheme, which runs from 1 August 2011 to 31 March 2012, has been set up to help people install green energy heating systems. The scheme is particularly for those households who don't have mains gas heating. You can get grants for the following amounts, for the following products:

- a ground source or water source heat pump - £1,250 (for homes without mains gas heating)
- a biomass boiler - £950 (for homes without mains gas heating)
- an air source heat pump - £850 (for homes without mains gas heating)
- solar thermal hot water panels - £300 (available to all households).

The scheme for householders is mainly aimed at the 5.5 million households in Great Britain not heated by mains gas. Rather than mains gas, these households have to rely on expensive and higher carbon forms of heating such as heating oil and electric fires to keep warm. To qualify, householders will need to ensure they have basic energy efficiency measures in place before they apply.

Up to 25,000 new installations will be supported over the next year. The grants will be given out on a first-come, first-served basis, and providers of social housing can also apply. For more information, including how to register early, visit: [www.directgov.uk](http://www.directgov.uk) or call the Energy Saving Trust on 0800 512 012.
