Thanks

In Memory of Gillian Andrews

I would just like to thank everyone in the village who very kindly sent us cards following Gilly's death. It was a great comfort to be surrounded by all of them in our house at such a difficult time and be aware of all your support. Thank you all for your thoughtfulness and sympathy.

Thank you also very much to all of you who made donations to the Sue Ryder hospice in Nettlebed in memory of Gilly. The total amount received and collected by the funeral director and passed to Sue Ryder was £1488.70. Other donations made direct to Sue Ryder took this to over £2,000.

I have received a thank you letter from Elizabeth Sparrow at Sue Ryder who says, " This is a wonderful amount for which we are extremely grateful and you can be assured every penny will be spent to provide outstanding care to our patients and their families."

Finally, thanks to Helen and Anita for doing so much of the catering after the funeral and to them again and all our other friends and neighbours who are keeping me going. Without you it would just be impossible.

Martin Andrews

Volunteers needed for Oxfordshire Dentistry Survey

The Oxfordshire LINK is recruiting vol-

unteers to carry out a survey of information provided for patients by NHS Dental Practices. The survey will be looking at information on the range of services offered, the charges relating to those services, and about entitlement to receive certain services on the NHS. LINK volunteers who conduct the survey will find out if the information is clear and helpful to patients and highlight areas of good practice. If you want to help with the survey please contact the LINK:

Saint Giles News

First Apologies to those who have contacted me regarding the state of the church yard. Yes we know it is bad but we are doing what we can.

As a church we do not have the finances to pay for church yard maintenance and have to rely on volunteers. Unfortunately not many come forward on a regular basis and although Richard and I do our best this year the weather, too wet or too hot has beaten us. Some are upset that the long grass and weeds have now overtaken the newer part of the graveyard but all it needs is a few people to give maybe an hour a week with a strimmer and this could be kept down. PLEASE IT IS UP TO YOU Can you give an hour a week or a month to help us tackle this problem. Many elderly residents who have loved ones in the church yard and the PCC would be most grateful.

August has been a quiet month with just two services at Tetsworth but September looks to be an exciting time with Harvest Festival followed by home made soup and bread on 16th at 6-30p.m. and Discovery Sunday(look out for the jigsaw piece through your door) on 30th.at 11-00 a.m.

October 21st will see our shoe box service so please save those empty shoe boxes and fill with toys and goodies for children in eastern Europe. Please come to any of our services and stay for delicious cakes and coffee and an informal time to talk.

Discovery Sunday

For the past few years the Church of England has had a special event on the last Sunday in September which has been called '**Back To Church Sunday**'. It started in Manchester Diocese in 2004 and it is now the largest single local-church invitational initiative in the world, taking place in churches across denominations worldwide..

The idea is for people who normally attend church to invite a friend or family member who has not been for a long time, just for one service. Not to pressurise them, or criticize them for not going any more, but just to make it easier for someone who has been away for a while to return if they would like to.

At St. Giles we have decided that, as Tetsworth is the largest of the six villag-

es in the group of six, yet still relatively small village with just over 700 residents, we would like to invite everyone to a special service on the 30th September at 11.00 am.

As '**Back to Church**' didn't seem quite appropriate we are calling the day '**Discovery Sunday**'. It will be an opportunity for everyone to find out what the church is like to attend, the variety of services we have and, perhaps more importantly what the people who attend regularly are actually like!

The church is for all ages from the very young to the young in heart and mind who have been around a bit longer. We are hoping (perhaps even praying) for good weather so that we can have a picnic after the short service in church. Refreshments including cake, nibbles and drinks will be provided, but feel free to bring and share if you can.

Every home in Tetsworth will be receiving an invitation together with a few Jigsaw Puzzle pieces which we ask you to bring to the church on the 30th. where they will all fit together, the result won't be picturesque or even colourful, (unless you right your name on your piece in a bright colour), but it will show that all the people in the village fit together to form a community and, if we take one person's piece out, that leaves a whole that only they can fill.

Please try to join in this event, and if you have visitors on that day, please bring them along; we will be most pleased to see them too. We hope the church won't be big enough, and we haven't got a clue what will happen, so come along, give us as big a problem as you can, ask questions, find out what goes on, give us ideas, meet up with new and old friends, but most of all come along and enjoy something different.

There is no cost, (obviously we will not refuse any donations towards our work and upkeep of the church build-

Is your child starting a new school?

Citizens Advice's Adding Up campaign was set up to encourage schools to help families by following these simple recession-busting tips:

1. If you feel your child's school isn't doing enough to keep costs down, raise the issue with the school management team. Draw their attention to the Schools Admissions Code, and keep copies of all correspondence.
2. If you're not happy with the response, approach the school's governing body. They should have a complaints procedure in place which will deal with issues such as complaints about uniform policies.
3. You can also raise the issue with the Schools Admissions Forum in your area. Your local authority should be able

YOUR CHANCE TO MAKE A DIFFERENCE!

What a difference the volunteers made at London 2012 and at the Paralympics too, people couldn't praise them enough, they were called the 'Games Makers'.

It might be too late to volunteer for the Games but it's certainly not too late to make a difference as a **Volunteer!**

If you are:

- ✓ a good listener
- ✓ some free time
- ✓ reliable
- ✓ approachable
- ✓ persistent
- ✓ aware of need for confidentiality
- ✓ not afraid to ask questions
- ✓ empathetic

Then you are just the sort of person we at Parent Partnership Oxfordshire would love to have as a **Volunteer Independent Parental Supporter. (IPS)**

What does an IPS do? Besides make a huge difference?

Parents of a child with Special Educational Needs or Disabilities really appreciate having support at a meeting or help with sorting out paperwork and most of all, the chance to talk things through. Sometimes it takes little more than a phone call to make a great difference to a parent who has worries about their child's education.

It might be too late to be a 'Gamesmaker' but not too late to be a 'godsend' as some parents describe the volunteer IPS who have helped them. **You too could make a real difference!**

FREE Training is provided, so you're not thrown in at the deep end.

ALL expenses paid so you won't be out of pocket.

Interested?

4. If your school has an exclusive contract with a uniform supplier which prevents you from buying 'off the peg' items at a cheaper rate, ask them to review this.

5. If they refuse to change this policy then they may be subject to enforcement action by the Office of Fair Trading: www.off.gov.uk

6. If you are concerned that excessive school costs are affecting your decision to send your child to a particular school then you can object to the Schools Adjudicator: www.schoolsadjudicator.gov.uk

7. Suggestions you can make to your child's school for how to keep costs fair and low could include: Making sure uniform is available from a range of outlets Providing sew-on or iron-on badges that can be put on plain clothing Encouraging second hand uniform sales or swap schemes Providing
